PROFESSIONAL EXPERIENCE

Self-Employed – Kenzerama Productions

Owner / Operator

2024 – Present

- Engaged with prospective and existing clients to understand needs, provide guidance, and support ongoing relationships.
- Managed schedules and client relationships, executed hundreds of wedding films, from start to finish, successfully.

Stellargrade

Suite Commerce Developer / Netsuite Consultant – Montreal, QC

2023 – 2024

- Built custom NetSuite solutions using SuiteScript, SuiteFlow, and SuiteBuilder, including SuiteCommerce / SCA customizations.
- Developed RESTlet, SOAP, and SuiteTalk integrations connecting NetSuite with e-commerce platforms, CRMs, and third-party services.
- Partnered with stakeholders to gather requirements, design solutions, and implement scalable NetSuite configurations.
- Owned the full development lifecycle from build and testing through UAT, deployment, and post-go-live support.

Forge Media & Design

Web Developer

2020 – 2023

- Developed, and maintained responsive, client-facing websites using HTML, CSS, JavaScript, PHP and modern frameworks or CMS platforms.
- Collaborated closely with designers, marketers, and account managers to translate creative concepts and marketing goals into functional web solutions.
- Developed and integrated third-party tools and APIs such as analytics, CRM forms, email marketing platforms, and tracking pixels.
- Ensured cross-browser compatibility, mobile responsiveness, and consistent user experience across devices.
- Maintained and updated existing client websites, performing bug fixes, enhancements, and content changes.

Firma Foreign Exchange Corporation

FX Specialist

2017 – 2019

- Sourced and developed relationships with clients building a personal book of over 150 clients.
- Analyzed current economic environments to advise clients on their foreign exchange, risk management and payment needs helping them save an average of 1-2% on transactions up to \$1.5 million.
- Maintained accurate records using Salesforce.
